Blood Sciences	
⬤ Blood Sciences	Click on **Blood Sciences** on the navigation panel to the left.
<	Click on the **Collapse** button to close the navigation panel and give more screen space.
☰ 🗒 📊 ⬤	Notice how the side panel collapses, the text is removed and just the icons display.

	The same functions are still available:
	   a. Filter tests
	   b. Change the displayed date range
	   c. Chart results
	
	Please see the guide on the patient **Summary** for these features.

☰	Click on the Expand button to open the navigation panel.
