

Navigate the Banner in the Patient Record

The Banner is the black and blue strip that is displayed at the top of the Evolve dashboard.

The Banner will show in **Red** if the patient is deceased.

Details of the currently selected patient are displayed at the top of the banner, this is pulled from PAS

Nut, Hazel | A1001538 | 15/10/1960 | (60 years 4 months) | Female

- **Alerts & Patient Info** - You can view the patient's PAS Alerts, Clinical Notes, Contacts with the Hospital & Personal Contact Information.
- **eForm Search** - This report brings back the comments section (e.g. Details from Operation Notes and Clinical Notes from OP History Sheet) from all the e-Forms that have been filled in for the selected patient.

All of these are covered in detail in other modules

[Alerts & Patient Info](#) | [eForm Search](#)

The **Patient Menu**  displays a list of tasks:

Click on the **Patient Menu** and select **Further Information**. This shows demographic information pulled from PAS
