

Using the Camera

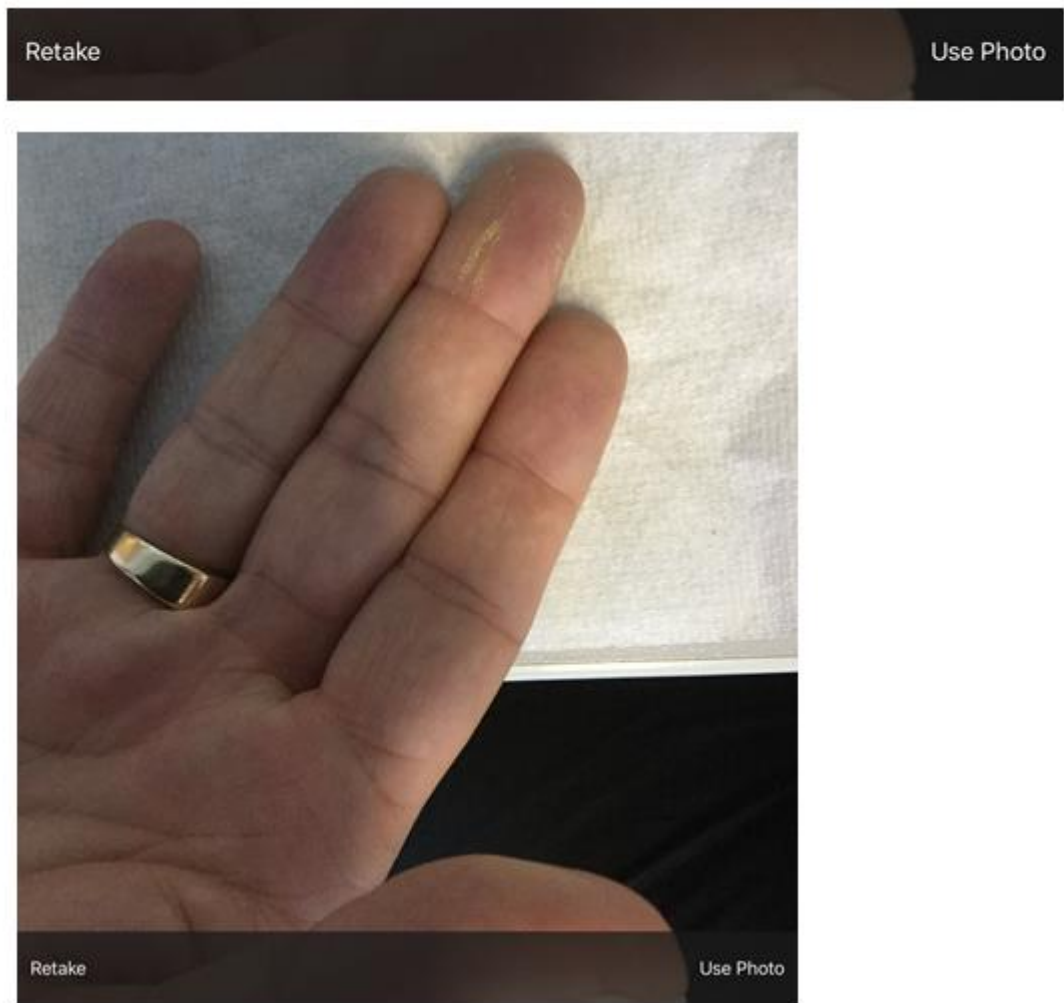

1. With a patient record open, select the camera icon on the banner bar

2. The camera will open, select the shutter button to take a picture

3. You can choose to **Retake** the photo if required or select **Use Photo**

4. Select **Document Type**

A screenshot of a mobile application form. At the top, there is a light gray header bar with three buttons: 'Cancel' on the left, 'Upload Photo' in the center, and 'Done' on the right. Below the header bar are three input fields, each with a light gray background and a white border. The first field is labeled 'DOCUMENT TYPE'. The second field is labeled 'SPECIALTY (OPTIONAL)'. The third field is labeled 'CONSULTANT (OPTIONAL)'. Below the third field is a fourth, empty input field. The entire form is framed by a dark blue border.

- Select the document type from the list e.g. **Photograph**
