

## Start an Instruction

To add an Instruction, have your document open in dictation mode via either method below

<p>If linking to an appointment double-click your patient row</p> <p style="text-align: center; margin: 20px 0;">OR</p> <p>If starting this as a Non-clinic linked letter then click create</p>	 <p style="text-align: center; margin: 10px 0;">OR</p> 
<p>Click the Microphone Icon next to the Instruction playbar</p>	
<p>To stop your Instruction recording click the Pause button that is next to the Instruction playbar</p>	
<p style="text-align: center;">Your Instruction can include any details that are just to be passed on to the Transcriber but that do not need writing in the letter</p>
