## **MEDIVIEWER – ACCEPT OR REJECT SHARED SAVED FILTERS**

Saved Filters shared with you will appear at the bottom of your Saved Filters field's menu.

Whilst in a patient's Health Record, click into the <b>Saved</b> <b>Filters</b> field at the top of the <b>Bundles</b> View, or <b>Funnel</b> icon if reduced to a sidebar	The <b>Saved Filters</b> menu displays:	
	Saved Filters	
	No saved filters	
Saved Filters		
T	Filters shared with you	
	Observation Chart Clinical Trainee1 ✓ ×	
	+ Create new filter	
	View results	
	Click the <b>Tick</b> of each Shared Filter you wish to Accept and Save. Click the <b>Cross</b> of each Shared Filter you wish to Reject. <b>Note:</b> Any filters shared with and accepted by you are now copies of	
	the original so will not be affected by any edits you make to this Saved Filter.
