

Navigation and Views	
<p>If you are set to a ward, Patienttrack will open with the ward as your home page. Click on the back arrow to navigate away from this ward to another</p>	
<p>A list of wards will now display for the site you are based on. Select any of the ward names to open the ward. Click on the back arrow again</p>	
<p>A list of the Trust Sites will display, select the site depending on what ward you want to open</p>	<div style="border: 1px solid #ccc; padding: 5px; text-align: center;">Chichester Treatment Centre</div>
<p>A list of wards on that site will now display. Select any of the ward names to open the ward</p>	
<p>Click on the back arrow to navigate to other wards</p>	
<p>Click on the Views button</p>	
<p>The default view is Ward View. You can set your own default view through Update View Settings in your profile options (see the previous guide Update User Profile). Click any of the views to filter the list</p>	
<div style="border: 1px solid #ccc; padding: 5px;"> Ward View AKI Flagged Patients Bufalo EWS 5+ SRH EWS 5+ WORT Fraility Recent Discharged </div>	
<p>The search and filter bar can be used to list all patients with “Case” in their name; so by entering the name “Case” and pressing the Enter key on the keyboard this would, for example, return “Case” and “Casey”</p>	<div style="border: 1px solid #ccc; padding: 5px;"> <p>Search: <input style="border: 1px solid #ccc;" type="text" value="Case"/> ALD All Specialties ↻</p> </div>
