

View Patientrack Reports	
Some reports run straight away, some reports you have to set up the criteria, for example:	
a.	Ward selection list: Select the ward you want to run the report from and click on View Report to refresh
	Ward <select a="" td="" values<=""> A and E (Worthing) A A and E (Chickester) A Acute Cardiac Unit Image: Cardiac Unit</select>
b.	Hospital Number: Enter the hospital number for the patient and click on View Report to refresh
	Hospital No View Report
Once a report has run you may be able to:	
a.	Filter the list
	Month Nov 2018 V Ward All Wards V
	Division All Divisions
b.	Navigate through the pages (if there are more than one)
	$ \boxed{1} \text{of } 1 \boxed{1} $
C.	Save the list
d.	Print the list
e.	Navigate to appropriate information, forms etc. through links
	Knowing Me form
To close a report click on the X on the report tab	
To close the Patientrack Reports list click on the X in the top right corner of the window
