Time, Justin
MRN: A1003601 / NHS: 4505579034
Male, 12-Dec-1936 83y
Bed: - Assessments: 2
© 14:19

On the patient details page click on the **View Patient Chart** button

The patient chart will open showing the observations and electronic assessments that have been completed during the current admission. The individual readings will display when you hover your mouse pointer over each of the plotted recordings. Scroll down when appropriate

Click on the **OBS** button

OBS

A list of completed assessments will display, click on the **assessment name** to view it

Blood Glucose mmol/L (11/06/2020)

Date	Glucose (mmol/l)	Ketones (mmol/L)	Pre / Post meal	Scheduling
10/06/2020 14:53	13.00	1.5	Before	2 hourly

The **OBS** button has now changed to, in this example, **Blood Glucose**, click on the button to select an appropriate report

Blood Glucose
