10. Click on the **X** to close this window

The **Results Date & Time** and **Results Status** show.

11. Click **Finish**

A screenshot of a software dialog box titled "ICE Outcome". The window title bar includes a small icon, the text "ICE Outcome", and standard window control buttons (minimize, maximize, close). The main content area has a light blue header with the title "ICE Outcome" and patient information: "SRE-21-000061-2, BUTCHER, Rupert, A1004234, Male, DoB: 16/12/1982 (38yrs)". Below this is a "Clear All" button. There are two dropdown menus: "Result Date" set to "8 November 2021" and "Results Status:" set to "Results Viewed". A "Result Time" text field contains "10:16". At the bottom right, there are "Cancel" and "Finish" buttons. On the left side of the dialog, there is a vertical cyan bar with the text "Save the data collected and close the screen".

Time shows in **ICE** column
